MEETINGS ON BROADWAY BRING **BIG** BENEFITS

Shopping Experience

Start your day with a lovely breakfast overlooking Central Park in Bergdorf Goodman. You will be met by a personal shopper who will guide you through the store. Next, you'll be whisked off to the garment district with a fashion insider to meet with the designers in their showrooms and shop the coming season's designs. Lastly, you'll be taken to a bespoke tailor and while you sip on cocktails in a lovely private studio, your custom items will be designed.

Sports Experience

NYC has more sports team than any other city in the USA. You'll get an insider's look at 2 of the most world renowned stadiums in the world, Madison Square Garden and Yankees Stadium. You'll be given a private tour in each and meet a famed sports figure over lunch at Keen's Steakhouse. That evening, you will have premium seats to the seasonal sporting event (Baseball, Basketball, Hockey, Football or US Open Tennis).

Cultural Experience

New York City is the cultural hub of the United States. Art, music, theater, we have it all! Start the day with a tour of the Museum of Modern art, before it's open to the public! Next, you're off to Lincoln Center where you'll experience a private rehearsal of the New York Philharmonic. Back to the hotel to freshen up before your progressive dinner between acts at the Metropolitan Opera House.
